

Forge

Forward with the Future.

Monash University

Presented by
Team FORGE

73%

**of students change career direction
within 2 years of starting university.**

Insights

The paths **exists**.

It's just **scattered** across a **thousand places** no student knows to look.

Solution

So we built Forge to make it visible. You tell us who you are:

- **We tell you exactly what to do,**
- **in the right order**
- **based on real students who already made it.**

EXPERIENCE

FORGE

What's one word that describes what
you want to leave behind?

Medicine

Engineering

impact

Arts

Business

Continue

Why Forge?

- In a world full of uncertainty we can achieve what we want
- Every student who uses Forge adds a story, making the experience richer and more real for every student who comes after them.

Our Ask?

- **Funding** to help bring Forge to students in Australia
- **Mentorship** with **Monash University** to integrate Forge onto their **platforms** (website, social media, etc.)
- **Our Plans:**
 - **Trained AI** on Monash **programs** and **offerings**
 - **Pilot run** on **new** cohort of students (S2 2026)
